

HAMLYN BANKS PRIMARY SCHOOL - HEAD LICE

HEAD LICE TREATMENT

To treat head lice:

Method A-

- 1 Wet hair
- 2 Condition hair until frothy
- 3 Comb hair with a fine tooth comb or specific, metal 'Head Lice Comb'.

Method B-

Use of a propriety head lice treatment available through your health care professional.

Continue this treatment for 6 nights and then every 2nd night until all eggs have been removed. Children must begin treatment before returning to school.

As per instructions.

Please tear off and return these sections to the school office upon your child's return.

'ACTION TAKEN'- HEAD LICE REPLY FORM. (3 WEEK FOLLOW UP)

I have continued to treat my child's hair for head lice using the appropriate and suggested methods as outlined on the, '*Head Lice Alert*' pamphlet.
