Welcome to Term 4

This term is definitely another very busy one!

We have had our first transition day which ran very smoothly. We have two more to go.. We’re very excited about moving on to Grade 1.

Our Werribee Zoo excursion was SO MUCH FUN!

We learnt about different animals and their habitats and we went on a safari tour, which was AMAZING!!!

Now that we are back at school we are making our very own Zoo book and we’ve even made a map of our own Zoo! We all just keep having so much fun learning.
We also have our school disco coming up, we can’t wait to boogie and also our school incursion: “Aladino” NO, not the real Aladin 😊 It’s an Italian play.. we can’t wait for this performance.

Another busy term which will surely pass quickly!
