

Victorian State Schools Spectacular 2015

MASS DANCE COSTUME UPDATE

We received information yesterday that this year's Mass Dance Costumes for the State Schools Spectacular are all based around each student wearing black pants & shoes. These are fairly common and generic items in most wardrobes and as such the arts unit will not be supplying these items to schools.

Basically they don't mind what style of pants are worn; they could be leggings, yoga pants, tracksuit, dance or harem pants. Whatever you have. The only stipulation is that the **pants need to be FULL LENGTH and NO JEANS.**

The arts unit has asked that the pants are solid black (no patterns/adornments/torn/faded)

Similarly for the shoes; they need to be clean, black shoes i.e. cheap canvas styles from stores such as K Mart, Big W, Spendless, Op shops, etc are inexpensive options if, they need to be purchased. White soles are okay, but the shoes need to be as black as possible. Try to avoid logos, and if necessary swap laces for black.

Any questions or issues please let me know.

Yours sincerely,
