

Term 1 Visual Arts 2017

In Term one students will be learning to respond and interpret portraits create by many famous artists. Students will learn what a portrait is, why they are significant in recording history and how they can go about creating their own. Once all students have produced their own A3 portrait they will have the special opportunity to enter their work into the Geelong Gallery's presentation of the Art Gallery of New South Wales' Archibald Prize 2017 – called **Who's Who portrait prize**.

In accordance with the Victorian Curriculum 2016, students in:

- Prep will respond to visual artworks and consider where and why people make visual artworks by creating their first ever self- portrait.
- **Year 1 & 2** will respond to visual artworks by describing subject matter and ideas of Roy Lichtenstein and pointillism when creating a self-portrait.
- **Year 3 & 4** will identify and discuss how ideas are expressed in artworks from a range of places, times and cultures. This will support their endeavour in creating a super hero portrait of someone important to them.
- **Year 5 & 6** will identify and describe how ideas are expressed in artworks by comparing artworks from different contemporary, historical and cultural contexts. They will then move into transferring this into a selfie portrait express themselves and their age bracket.
