2026 Parent Payment Arrangements – Year 6

Dear Parent / Guardian / Carer,

Hamlyn Banks Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions, classroom curriculum contributions, specialist curriculum contributions, other contributions and extra-curricular items and activities for the 2026 school year.

From 2026, Book Packs for students in Year 3 to Year 6 will consist mainly of novels. This is to support the novel studies that are happening at our school. We will provide all other required stationery for the year. At the conclusion of each novel study, students will bring the texts home to keep.

As you are aware, we take great pride in the work we do with and for your children – and as such, really appreciate that our community supports us through active participation with our school and financial contributions. This demonstrates you value your child's education and the work we do to ensure we are offering quality learning programs. We appreciate that everyone's financial situations are different so have included support options below. Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

All money received or raised by the school is used to finance learning programs and to maintain and develop our school's buildings and grounds.
